WARNINGS & CAUTIONS / PRECAUCION:
- Risk of electric shock -
Do not expose to water. This lamp is not intended for use with emergency exit fixtures or emergency lights. Do not use outdoors. Turn off power before changing lamp.

As part of our continuous quality and performance improvement, we frequently work to enhance the performance of our products. Specifications, appearance and outlook of the lamp may vary from product to product and are subject to change without notice. Viribright Lighting Inc warrants to the original end user, that each of our current LED products to be free from defects in materials and workmanship that would render the product inoperable or unserviceable, for two years (24 months) from the date of manufacture. For current warranty details, visit our website www.viribright.com.

The warranty applies only to current products with a current, registered, unaltered, intact manufacturing number or product identification code, purchased, registered and owned by the original purchaser and is non-negotiable, non-transferable, and subject to the following terms and conditions. All other products containing non-current or earlier manufacturing numbers or product identification codes are no longer supported or covered by this or any warranty, including any express or implied warranty. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

*Based on 3 hours of usage per day, at \$0.11 Kwh over the anticipated lifetime of the bulb when compared to an incandescent bulb. (Based on U.S. Average cost per Kwh)
Note: Actual consumption may vary +/- 10% or more, according to electrical standards. Actual lumens may vary.

MINIMUM STARTING/OPERATING TEMPERATURE: -4 °F.
NOT FOR USE WITH PHOTO AND/OR MOTION SENSORS.
NOT FOR USE WITH TIMERS.
